

## FEATURES

### FSC-certified

Natural FSC-certified wood covers come in two finishes: blonde maple and dark walnut.

### Battery Life

Rechargeable lithium ion battery provides up to 8 hours of full charge with continual use.

### LED Module

Long-lasting LED modules emit 500 lumen – slightly brighter than a 40w bulb.

### Durable

The interior body of the lamp is made from durable, water-resistant and 100% recyclable DuPont™ Tyvek®.

### Magnet

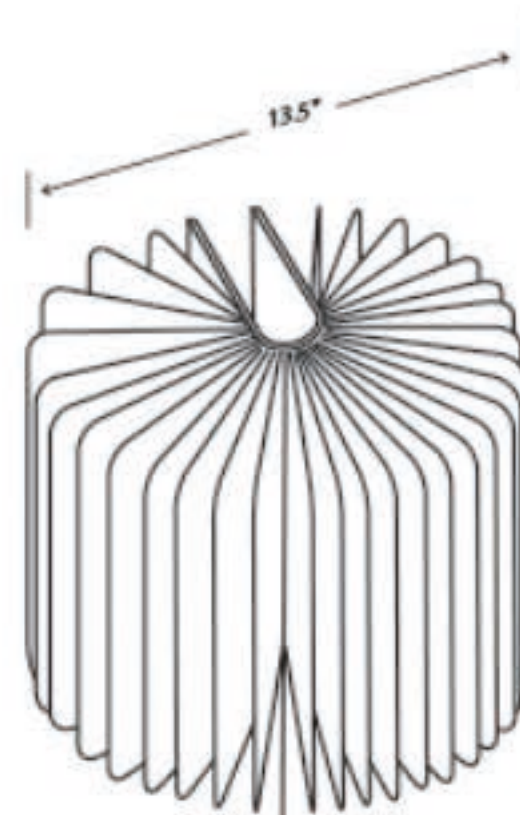

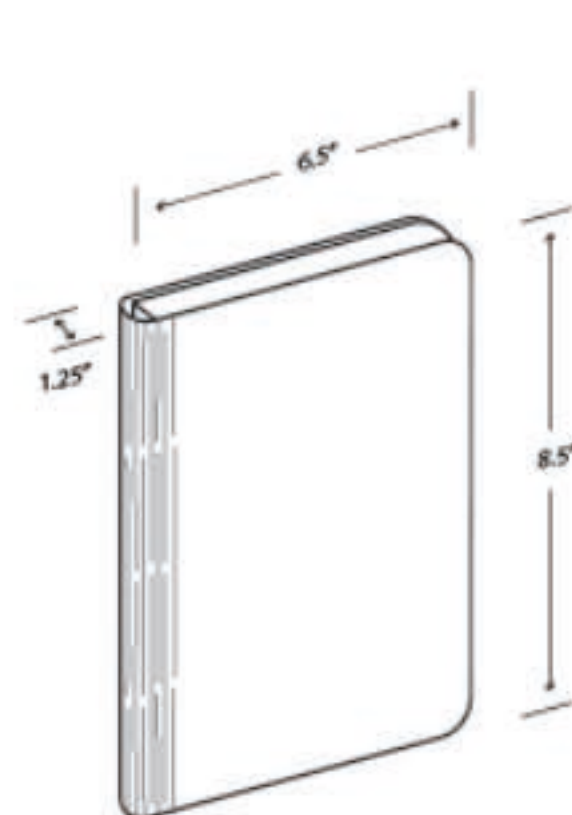

Industrial-grade Neodymium (N52) magnets are built into the wood covers to maintain portability and flexibility.

### Power

Easily charge Lumio via micro USB from any USB charger. The light can be turned on while it's charging.
