Klasik

Klasik is a wrap-around chair design, born as a new contemporary icon, where craftsmanship and wood meet technology to offer a wide range of finishes and solutions.

Its warmth, elegance and comfort reflect a timeless and classic personality, ideal for any room and circumstance. Thanks to its material and versatility, this chair can be decked out in casual style or given a more formal appearance, always bringing a unique touch to every atmosphere within a same space.

A moulded wooden body lends the chair its beauty and ergonomics, strongly marking its personality and character. It also offers the option of an upholstered seat pad for greater comfort. The possibility of combining different bases make Klasik a complete and flexible family, creating a perfect collection for hospitality and corporate use, and for spaces in the home.
