AKABA

Gorka 30th

The essence of Akaba makes a comeback with the remake of our bestseller: the Gorka chair. We revisit our original shape with an elegant proposal inspired by our iconic polypropylene chair, now featuring a new wooden shell. An ideal proposal for projects that require an ergonomic chair with a high-end design.

Its soft-lined shell, framed by the aluminum of the sides, gives this chair both a classic and timeless elegance.

Pensi Design Studio

Pensi Design Studio has been awarded numerous prizes and has received widespread recognition throughout his career, including the Spanish National Design Prize in 1997, awarded by the Ministry of Industry and Energy and the BCD Foundation for outstanding professional achievement.

If there is one thing which defines Pensi Design Studios products, it is their timelessness. Among the most well-known designs we can name the Gorka program for Akaba (1993), the Hola series for Kusch+Co (1993), Glassbox for Disform (1995), the Temps chair for Punt Mobles (1997) and the Artico and Duna collection for Cassina (1998).
